New Items Breaker Bars

NEW Power Breaker bars by TRAX 3/8” 1/2” and 3/4”

TRAX Power Breaker Bars – Maximum Leverage, Professional Strength

The TRAX Power Breaker Bar range delivers professional-grade torque for automotive, truck and industrial workshops. The Extra-long design provide superior leverage for high-torque fastening and loosening tasks that demand precision and control.

Crafted from high-strength Chrome Vanadium (Cr-V) steel, each breaker bar features a swivel head with wide-angle articulation for improved access in tight spaces and a knurled, non-slip handle for reliable grip under heavy load. Designed for durability, performance, and frequent professional use.

Key Features

- Premium Chrome Vanadium steel for strength and durability
- Swivel head with wide-angle articulation for hard-to-reach fasteners
- Extra-long lengths for maximum leverage
- Knurled, non-slip handle for superior control
- Engineered for professional workshops and high-torque applications
